Research interests: population · kinship · generational processes · inequality · modelling

EMPLOYMENT

Max Planck Institute for Demographic Research (MPIDR), Germany

Independent Group Leader, [Kinship Inequalities Research Group](#)

May 2022 - May 2027

Post-Doctoral Researcher, [Lab of Digital and Computational Demography](#)

Jan 2019 - Apr 2022

United Nations High Commissioner for Refugees (UNHCR), Denmark

Statistics Team Intern, Field Information and Coordination Support Section (FICSS)

Mar - Jun 2018

Leading role in implementing [UNHCR's Demographic Projection Tool](#).

The London School of Economics and Political Science, UK

Research Assistant, Law Department

Apr - Jul 2017

Leading qualitative research on low student satisfaction

Research Assistant, Social Policy Department

Mar 2016- Jun 2017

Quantitative analysis of maternal and child health outcomes in Palestine

Research Assistant, Sociology Department

Sep 2014 - Sep 2015

Qualitative coding and analysis of methodological practices in sociology of work

Research Assistant, Methodology Department

Oct 2013 - Jan 2014

Survey of grey literature to identify common qualitative methods in International Development

Universidad Rafael Landívar, Guatemala

Analyst, Public Opinion Program

Jul - Nov 2013

Designing and implementing qualitative research for the Media Monitoring Project

RESEARCH GRANTS

- [Kinship Inequalities Independent Research Group](#) (2022), grant awarded by the Max Planck Society (ca. €1.9 million [ca. \$2,05 million] for the 2022-2027 period)
- [LSE PhD Studentship](#) (2014-2018) awarded by the London School of Economics (ca. £145,000 [ca. \$180,000])

AWARDS

- **BSPS Early Career Award** (2022), British Society for Population Studies; given every year to one promising early career demographer
- Poster award (2022), British Society for Population Studies. Poster title: “Who Will Remember COVID-19? Kinship Memory after a Global Pandemic.” (Snyder, M., Alburez-Gutierrez, D., Verdery, A., and Zagheni, E.)
- **Günther Beyer Award** (2022), given by the European Association for Population Studies to the best paper by an early career scholar at a European Population Conference (€400 [ca. \$430], awarded jointly with Ugofilippo Basellini)
- Poster award (2021), Population Association of America Annual Meeting. Poster title: “Linking excess mortality to Google mobility data during the COVID-19 pandemic in England and Wales.” (Basellini, U., Alburez-Gutierrez, D., Del Fava, E., Perrotta, D., Bonetti, M., Camarda, C., and Zagheni, E.)
- **Otto Hahn Medal** (2019) awarded by the Max Planck Society for outstanding achievement from the initial creative period of young scientists (€7,000 [ca. \$7,600])

EDUCATION

The London School of Economics and Political Science, UK

PhD, Demography and Population Studies

2014 - 2018

MSc, Social Research Methods (Distinction)

2013-2014

Universidad del Valle de Guatemala, Guatemala

BA, Anthropology (First class/Summa Cum Laude)

2008-2012

TEACHING EXPERIENCE

European Doctoral School of Demography (EDSD)

Lecturer for course “The Demography of Kinship”

2023 - present

Lecturer for course “Digital Demography”

2020 - 2022

International Max Planck Research School for Population, Health and Data Science

Course coordinator and lecturer for “Matrix Approaches to Modelling Kinship: Theory and Applications”

May 2023

Lecturer for course “Topics in Digital and Computational Demography”

2020 - 2022

The London School of Economics and Political Science, UK

Class Teacher, Social Policy Department

2016-2017

Leading seminars for the course “Introduction to Global Population Change”

Lecturer, LSE Methods Summer School

2015

Leading seminars for the “Qualitative Research Methods” strand

Del Valle University, Guatemala

Class teacher, Anthropology and Sociology Department

2013

Leading seminars for the course “Advanced qualitative data analysis”

Class teacher, Anthropology and Sociology Department

2011

Leading seminars for the course “History of Anthropology 1”

RESEARCH ADMINISTRATION

Independent Research Group Leader, [Kinship Inequalities Research Group](#) May 2022 - May 2027
Academic supervision of PhDs and postdocs; budget planning and execution; coordination of hiring processes; collaboration with local administration; research activities reporting; committee participation.

Organiser and Mentor, [Population and Social Data Science Summer Incubator Program](#) Jun - Aug 2023
Coordinating and supervising a team of four graduate students for the ‘Crowdsourced Data’ incubator team.

Research Area Chair, [Lab of Digital and Computational Demography](#) Sep 2019 - Sep 2021
Leading a group of four researchers in the ‘Aging and Generational Processes’ Research Area.

GRADUATE STUDENT SUPERVISION

[†] Ongoing

- [†] Amanda Martins de Almeida. *PhD supervisor*. Max Planck Institute for Demographic Research (MPIDR, Germany)
- [†] Andrea Colasurdo. *PhD supervisor*. MPIDR and University of Groningen (Netherlands)
- [†] Liliana Calderón. *PhD mentor*. MPIDR and Stockholm University (Sweden)
- [†] Michael Lachanski. *PhD mentor*. MPIDR and University of Pennsylvania (US)
- [†] Yongxin Shang. *Ad Hoc PhD Special Committee Member*. Cornell University (US)

PUBLICATIONS

Student co-authors in **bold**
(conventionally, the first author is the lead author in social sciences)

PUBLICATIONS IN PEER-REVIEWED JOURNALS

Snyder, M., Alburez-Gutierrez, D., **Williams, I.**, and Zagheni, E. (2022). “Estimates from 31 countries show the significant impact of COVID-19 excess mortality on the incidence of family bereavement.” *Proceedings of the National Academy of Sciences*. 119 (26): e2202686119. doi:[10.1073/pnas.2202686119](https://doi.org/10.1073/pnas.2202686119).

ORGANISER OF INTERNATIONAL ACADEMIC EVENTS

- *Organiser*: [Workshop: Demographic microsimulations in R using SOCSIM: Modelling population and kinship dynamics](#), Annual Congress of the Population Association of America (PAA), New Orleans, USA Apr 2023
- *Organiser*: [Workshop: Demografía del Parentesco: Introducción a Temas y Métodos](#), X Congress of the Latin American Population Association (ALAP), Valparaíso, Chile 2022
- *Organiser*: [Workshop: The Formal Demography of Kinship: Theory and Application](#), Dutch Demography Day, Utrecht, Netherlands (with Hal Caswell) 2022
- Coordinator of the [Seminar Series of the Lab of Digital and Computational Demography](#), Max Planck Institute for Demographic Research. 2020-2021
- *Organiser and moderator*: [Panel Discussion on Digital and Computational Demography](#), IX Conference of the Latin American Association for Population Studies, Santiago, Chile (online) 2020
- *Organiser*: [Rostock Open Science Workshop](#), Max Planck Institute for Demographic Research (MPIDR), Rostock 2019
- *Organiser*: [Workshop on Demographic Research with Web and Social Media Data](#), 13th International AAAI Conference on Web and Social Media (ICWSM), Munich 2019

PROFESSIONAL SERVICE

- *Associate Editor* for journal Demographic Research (Apr 2022 - Apr 2025)
- *Reviewer* for academic journals: BMC Public Health; Demographic Research; Demography; Dialogues in Health; EPJ Data Science; European Journal of Population; Frontiers in Research Metrics and Analytics; Genus; International Migration Review; Journal of Marriage and Family; Journal of Population Ageing; Journal of the Royal Society Interface; Nature Human Behavior; PLOS ONE; Population and Development Review; Population Research and Policy Review; Population Studies; Review of Economics of the Household; Revue Quetelet/Quetelet Journal; Scientific Reports; and Social Forces
- *Organiser* of the ‘Social Policy Qualitative Research Group’, London School of Economics 2017-2018
- *President* of the ‘Methodology Student Union’, London School of Economics 2013-2014
- *President* of the ‘Social Sciences Student Union’, Del Valle University (Guatemala) 2011-2012

PROFESSIONAL MEMBERSHIPS

- International Union for the Scientific Study of Population ([IUSSP](#))
- IUSSP Panel on Digital and Computational Demography ([link](#))
- British Society for Population Studies ([BSPS](#))
- Population Association of America ([PAA](#))
- European Association for Population Studies ([EAPS](#))
- Latin American Association for Population Studies ([ALAP](#))
- Latin American Studies Association ([LASA](#))
- Households in Conflict Network ([HiCN](#))
- Population Health and Armed Conflict Network (PHAAC)
- International Science, Technology, and Innovation Network of Guatemala ([REDCTI](#))

SKILLS

- Statistical programming: R (`base`, `tidyverse`, `data.table`, `parallel`, `shiny`), Stata, Excel
- Text processing and web: \LaTeX , MS Office, (r)markdown, HTML, JavaScript
- Other programming: Git, Python 3, SQL
- Experience in qualitative, quantitative, and online data collection

LANGUAGES

- International: **Spanish** (native), **English** (full professional C2), **German** (full professional C1), **Swedish** (beginner A1)
- Guatemalan: **K’iche’** (full professional C1), **Achi** (full professional C1), **Kaqchikel** (professional B1), **Q’eqchi’** (limited working A2)
