I am a social scientist specialising in inter-generational demography. My work has used mathematical modeling, micro-simulation techniques, and empirical analysis to explore changes in the experience of life events such as kin availability, family bereavement, and caring responsibilities across demographic regimes.

EDUCATION

The London School of Economics and Political Science, UK

PhD, Demography and Population Studies

2014 - 2018

- Title: “Beyond excess mortality: the demographic life of a Mayan community after a war of massacres”
- Primary data collection: genealogical surveys and in-depth interviews (1 year fieldwork)
- Supervisors: Arjan Gjonça, Tiziana Leone, Ernestina Coast, and Michael Murphy

MSc, Social Research Methods (Distinction)

2013-2014

Practical approach with emphasis on quantitative and qualitative data analysis

Del Valle University, Guatemala

BA, Anthropology (First class/Summa Cum Laude)

2008-2012

AWARDS AND SCHOLARSHIPS

- Poster award (2021), Population Association of America Annual Meeting. Poster title: “Linking excess mortality to Google mobility data during the COVID-19 pandemic in England and Wales.” (Basellini, U., **Alburez-Gutierrez, D.**, Del Fava, E., Perrotta, D., Bonetti, M., Camarda, C. and Zagheni, E.).
- Otto Hahn Medal (2019) awarded by the Max Planck Society for ‘outstanding achievement from the initial creative period of young scientists’
- LSE PhD Academy Prize (2018) awarded by the London School of Economics for research on state-sponsored massacres in Guatemala
- LSE PhD Studentship (2014-2018) awarded by the London School of Economics

RESEARCH EXPERIENCE

Max Planck Institute for Demographic Research (MPIDR), Germany

Research Scientist (post-doc), Lab of Digital and Computational Demography

Jan 2019 - present

Research Area Chair, Lab of Digital and Computational Demography

Sep 2019 - Sep 2021

Research-administrative role leading a group of four researchers in the ‘Aging and Generational Processes’ Research Area.

United Nations High Commissioner for Refugees (UNHCR), Denmark

Statistics Team Intern, Field Information and Coordination Support Section (FICSS)

Mar - Jun 2018

Central role in implementing UNHCR’s Demographic Projection Tool.

The London School of Economics and Political Science, UK

Research Assistant, Law Department

Apr - Jul 2017

Leading qualitative research on low student satisfaction

Research Assistant, Social Policy Department

Mar 2016- Jun 2017

Quantitative analysis of maternal and child health outcomes in Palestine

Research Assistant, Sociology Department

Sep 2014 - Sep 2015

Qualitative coding and analysis of methodological practices in sociology of work

Research Assistant, Methodology Department

Oct 2013 - Jan 2014

Survey of grey literature to identify common qualitative methods in International Development

Public Opinion Program, Universidad Rafael Landívar, Guatemala

Lead researcher

Jul - Nov 2013

Designing and implementing qualitative research for the Media Monitoring Project

The Population Council, Guatemala

Research Sub Coordinator

Jan - Dec 2012

- Design and implementation of qualitative research on conditional cash transfer programmes
- Led team of four ethnographers during six months of data collection in rural Guatemala

TEACHING EXPERIENCE

International Max Planck Research School for Population, Health and Data Science (IMPRS-PHDS)

Class Teacher for course “Topics in Digital and Computational Demography”

2020 - present

European Doctoral School of Demography (EDSD), Barcelona

Class Teacher for course “Digital Demography”

2020 - present

The London School of Economics and Political Science, UK

Class Teacher, Social Policy Department

2016-2017

- Leading seminars for the course “Introduction to Global Population Change”
- Weekly office hours, updated course website, homework and exam marking

Class Teacher, LSE Methods Summer School

2015

- Leading seminars for the “Qualitative Research Methods” strand
- Homework and exam marking

Del Valle University, Guatemala

Class teacher, Anthropology and Sociology Department

2013

- Leading seminars for the course “Advanced qualitative data analysis”
- Course design, homework and exam marking

Class teacher, Anthropology and Sociology Department

2011

Leading seminars for the course “History of Anthropology 1”
