[alburezgutierrez@demogr.mpg.de](mailto:alburezgutierrez@demogr.mpg.de); [www.alburez.me](http://www.alburez.me)

I am a social scientist specialising in inter-generational demography. My work has used mathematical modeling, micro-simulation techniques, and empirical analysis to explore changes in the experience of life events such as kin availability, family bereavement, and caring responsibilities across demographic regimes.

## AWARDS AND SCHOLARSHIPS

- 2019 [Otto Hahn Medal](#) (2020) awarded by the Max Planck Society for ‘outstanding achievement from the initial creative period of young scientists’, in particular ‘for methodological innovations for studying the long-term consequences of mass killings on local populations’
- LSE PhD Academy Prize (2018) awarded by the London School of Economics for research on state-sponsored massacres in Guatemala
- LSE PhD Studentship (2014-2018) awarded by the London School of Economics

## EDUCATION

### The London School of Economics and Political Science, UK

PhD, Demography and Population Studies

2014 - 2018

- Summary: Effects of mass violence and genocide on population dynamics.
- Data collection: Genealogical surveys and in-depth interviews (1 year fieldwork)
- Mixed methods research design:
  - Quantitative analysis: Descriptive demographic, regression and survival models, network analysis
  - Qualitative analysis: Thematic and framework analysis
- Supervisors: Arjan Gjonca, Tiziana Leone, Ernestina Coast, and Michael Murphy

MSc, Social Research Methods (Distinction)

2013-2014

Practical approach with emphasis on quantitative and qualitative data analysis

### Del Valle University, Guatemala

BA, Anthropology (First class)

2008-2012

Thesis on evaluation methodologies for Conditional Cash Transfer Programmes

## RESEARCH EXPERIENCE

### Max Planck Institute for Demographic Research (MPIDR), Germany

Research Scientist (post-doc) and Research Area Chair (Aging and Generational Processes), Lab of Digital and Computational Demography

Since 2018

Leading role in projects using innovative data and approaches to understand demographic change in the context of global population aging.

### United Nations High Commissioner for Refugees (UNHCR), Denmark

Statistics Team Intern, Field Information and Coordination Support Section (FICSS)

2018

Central role in implementing UNHCR’s Demographic Projection Tool.

**The London School of Economics and Political Science, UK**

*Research Assistant, Law Department*

2017

Leading qualitative research on low student satisfaction

*Research Assistant, Social Policy Department*

2016-2017

Quantitative analysis of maternal and child health outcomes in Palestine

*Research Assistant, Sociology Department*

2014-2015

Qualitative coding and analysis of methodological practices in sociology of work

*Research Assistant, Methodology Department*

2013-2014

Survey of grey literature to identify common qualitative methods in International Development

**Public Opinion Program, Universidad Rafael Landívar, Guatemala**

*Lead researcher*

2013

Designing and implementing qualitative research for the Media Monitoring Project

**The Population Council, Guatemala**

*Research Sub Coordinator*

2012

- Design and implementation of qualitative research on conditional cash transfer programmes
- Led team of four ethnographers during six months of data collection in rural Guatemala

## TEACHING EXPERIENCE

**European Doctoral School of Demography (EDSD), Barcelona**

*Class Teacher for course “Digital Demography”*

2020

Online due to COVID-19; materials and recorded lectures available [on GitHub](#)

**The London School of Economics and Political Science, UK**

*Class Teacher, Social Policy Department*

2016-2017

- Leading seminars for the course “Introduction to Global Population Change”
- Weekly office hours, updated course website, homework and exam marking

*Class Teacher, LSE Methods Summer School*

2015

- Leading seminars for the “Qualitative Research Methods” strand
- Homework and exam marking

**Del Valle University, Guatemala**

*Class teacher, Anthropology and Sociology Department*

2013

- Leading seminars for the course “Advanced qualitative data analysis”
- Course design, wrote NVivo course pack (Spanish), homework and exam marking

*Class teacher, Anthropology and Sociology Department*

2011

Leading seminars for the course “History of Anthropology 1”
