population · kinship · families · generational processes · inequality · demographic models

EDUCATION

The London School of Economics and Political Science, UK

PhD, Demography and Population Studies

2014 - 2018

- Title: “[Beyond excess mortality: the demographic life of a Mayan community after a war of massacres](#)”
- Primary data collection: genealogical surveys and in-depth interviews (1 year fieldwork)
- Supervisors: Arjan Gjonça, Tiziana Leone, and Ernestina Coast

MSc, Social Research Methods (Distinction)

2013-2014

Practical approach with emphasis on quantitative and qualitative data analysis

Universidad del Valle, Guatemala

BA, Anthropology (First class/Summa Cum Laude)

2008-2012

AWARDS AND SCHOLARSHIPS

- Funding to establish the five-year [Independent Research Group on Kinship Inequalities](#) (2022) awarded by the Max Planck Society (ca. €1.9 million)
- [BSPS Early Career Award](#) (2022) awarded by the British Society for Population Studies for “*Diego’s tackling of a range of issues with a clear facility for analytical, measurement and dissemination tools, and for his empathy with Rio Negro inhabitants’ trauma carried across family memory.*”
- [Günther Beyer Award](#) (2022) awarded by the European Association for Population Studies to the best paper by an early career scholar at a European Population Conference (€400, awarded jointly with Ugofilippo Basellini)
- [Otto Hahn Medal](#) (2019) awarded by the Max Planck Society for outstanding achievement from the initial creative period of young scientists, in particular “*for methodological innovations for studying the long-term consequences of mass killings on local populations*” (€7,000)
- LSE PhD Studentship (2014-2018) awarded by the London School of Economics (ca. £72,000 + tuition)

RESEARCH EXPERIENCE

Max Planck Institute for Demographic Research (MPIDR), Germany

Head, [Independent Research Group on Kinship Inequalities](#)

May 2022 - present

Research Scientist (post-doc), Lab of Digital and Computational Demography

Jan 2019 - Apr 2022

Research Area Chair, Lab of Digital and Computational Demography Sep 2019 - Sep 2021
Research-administrative role leading a group of four researchers in the ‘Aging and Generational Processes’
Research Area.

United Nations High Commissioner for Refugees (UNHCR), Denmark
Statistics Team Intern, Field Information and Coordination Support Section (FICSS) Mar - Jun 2018
Central role in implementing UNHCR’s Demographic Projection Tool.

The London School of Economics and Political Science, UK
Research Assistant, Law Department Apr - Jul 2017
Leading qualitative research on low student satisfaction

Research Assistant, Social Policy Department Mar 2016- Jun 2017
Quantitative analysis of maternal and child health outcomes in Palestine

Research Assistant, Sociology Department Sep 2014 - Sep 2015
Qualitative coding and analysis of methodological practices in sociology of work

Research Assistant, Methodology Department Oct 2013 - Jan 2014
Survey of grey literature to identify common qualitative methods in International Development

Public Opinion Program, Universidad Rafael Landívar, Guatemala
Lead researcher Jul - Nov 2013
Designing and implementing qualitative research for the Media Monitoring Project

The Population Council, Guatemala
Research Sub Coordinator Jan - Dec 2012

- Design and implementation of qualitative research on conditional cash transfer programmes
- Led team of four ethnographers during six months of data collection in rural Guatemala

TEACHING EXPERIENCE

European Doctoral School of Demography (EDSD), Barcelona
Lecturer for course “The Demography of Kinship” 2023 - present
Lecturer for course “Digital Demography” 2020 - 2022

International Max Planck Research School for Population, Health and Data Science (IMPRS-PHDS)
Lecturer for course “Topics in Digital and Computational Demography” 2020 - 2022

The London School of Economics and Political Science, UK
Class Teacher, Social Policy Department 2016-2017
Leading seminars for the course “Introduction to Global Population Change”

Lecturer, LSE Methods Summer School 2015
Leading seminars for the “Qualitative Research Methods” strand

Del Valle University, Guatemala
Class teacher, Anthropology and Sociology Department 2013
Leading seminars for the course “Advanced qualitative data analysis”

Class teacher, Anthropology and Sociology Department 2011

Leading seminars for the course “History of Anthropology 1”

GRADUATE STUDENTS SUPERVISION

- Andrea Colasurdo. *Main PhD supervisor*. Max Planck Institute for Demographic Research
- Liliana Calderón. *PHDS mentor*. Max Planck Institute for Demographic Research and Stockholm University
- Michael Lachanski. *PHDS mentor*. Max Planck Institute for Demographic Research and University of Pennsylvania

PUBLICATIONS

[†] Publications co-authored with graduate students

PEER-REVIEWED PUBLICATIONS

ORGANISER OF INTERNATIONAL ACADEMIC EVENTS

- *Organiser*: [Workshop: Demografía del Parentesco: Introducción a Temas y Métodos](#), X Congress of the Latin American Population Association (ALAP), Valparaíso, Chile 2022
- *Organiser*: [Workshop: The Formal Demography of Kinship: Theory and Application](#), Dutch Demography Day, Utrecht, Netherlands (with Hal Caswell) 2022
- Coordinator of the [Seminar Series of the Lab of Digital and Computational Demography](#), Max Planck Institute for Demographic Research. 2020-2021
- *Organiser and moderator*: [Panel Discussion on Digital and Computational Demography](#), IX Conference of the Latin American Association for Population Studies, Santiago, Chile (online) 2020
- *Organiser*: [Rostock Open Science Workshop](#), Max Planck Institute for Demographic Research (MPIDR), Rostock 2019
- *Organiser*: [Workshop on Demographic Research with Web and Social Media Data](#), 13th International AAAI Conference on Web and Social Media (ICWSM), Munich 2019

PROFESSIONAL SERVICE

- *Associate Editor* for journal Demographic Research (Apr 2022 - Apr 2025)
- *Reviewer* for academic journals: Demography; Population and Development Review; Population Studies; European Journal of Population; Journal of Marriage and Family; Population Research and Policy Review; Social Forces; Demographic Research; Journal of Population Ageing; Revue Quetelet/Quetelet Journal; Genus; Review of Economics of the Household; Journal of the Royal Society Interface; BMC Public Health; PLOS ONE; Scientific Reports; EPJ Data Science; Frontiers in Research Metrics and Analytics
- *Organiser* of the ‘Social Policy Qualitative Research Group’, London School of Economics 2017-2018
- *President* of the ‘Methodology Student Union’, London School of Economics 2013-2014
- *President* of the ‘Social Sciences Student Union’, Del Valle University (Guatemala) 2011-2012

PROFESSIONAL MEMBERSHIPS

- International Union for the Scientific Study of Population ([IUSSP](#))
- British Society for Population Studies ([BSPS](#))
- Population Association of America ([PAA](#))
- European Association for Population Studies ([EAPS](#))
- Latin American Association for Population Studies ([ALAP](#))
- Latin American Studies Association ([LASA](#))
- Households in Conflict Network ([HiCN](#))
- Population Health and Armed Conflict Network (PHAAC)
- International Science, Technology, and Innovation Network of Guatemala ([REDCTI](#))

SKILLS

- Statistical programming: R (`base`, `tidyverse`, `data.table`, `parallel`, `shiny`), Stata, Excel
- Text processing and web: \LaTeX , MS Office, (r)markdown, HTML, JavaScript, Tesseract
- Other programming: Git, Python 3, SQL, Hadoop
- Demographic microsimulation: SOCSIM with applications in R
- Qualitative data analysis: NVivo, Atlas.ti
- Experience in qualitative, quantitative, and online data collection

LANGUAGES

- International: **Spanish** (native), **English** (full professional C2), **German** (full professional C1), **Swedish** (beginner A1)
- Guatemalan: **K’iche’** (full professional C1), **Achi** (full professional C1), **Kaqchikel** (professional B1), **Q’eqchi’** (limited working A2)
