## Diego Alburez-Gutierrez

Konrad-Zuse-Straße 1, 18057 Rostock, Germany  
[alburezgutierrez@demogr.mpg.de](mailto:alburezgutierrez@demogr.mpg.de); [www.alburez.me](http://www.alburez.me)

I am a social scientist specialising in inter-generational demography. My work has used mathematical modeling, micro-simulation techniques, and empirical analysis to explore changes in the experience of life events such as kin availability, family bereavement, and caring responsibilities across demographic regimes.

### EDUCATION

#### **The London School of Economics and Political Science, UK**

*PhD*, Demography and Population Studies

2014 - 2018

- Summary: Effects of mass violence and genocide on population dynamics.
- Data collection: Genealogical surveys and in-depth interviews (1 year fieldwork)
- Mixed methods research design:
  - Quantitative analysis: Descriptive demographic, regression and survival models, network analysis
  - Qualitative analysis: Thematic and framework analysis
- Supervisors: Arjan Gjonça, Tiziana Leone, Ernestina Coast, and Michael Murphy

*MSc*, Social Research Methods (Distinction)

2013-2014

Practical approach with emphasis on quantitative and qualitative data analysis

#### **Del Valle University, Guatemala**

*BA*, Anthropology (First class)

2008-2012

Thesis on evaluation methodologies for Conditional Cash Transfer Programmes

### AWARDS AND SCHOLARSHIPS

- 2019 [Otto Hahn Medal](#) (2020) awarded by the Max Planck Society for ‘outstanding achievement from the initial creative period of young scientists’, in particular ‘for methodological innovations for studying the long-term consequences of mass killings on local populations’
- LSE PhD Academy Prize (2018) awarded by the London School of Economics for research on state-sponsored massacres in Guatemala
- LSE PhD Studentship (2014-2018) awarded by the London School of Economics

### RESEARCH EXPERIENCE

#### **Max Planck Institute for Demographic Research (MPIDR), Germany**

*Research Scientist (post-doc) and Research Area Chair (Aging and Generational Processes)*, Lab of Digital and Computational Demography

Since 2018

Leading role in projects using innovative data and approaches to understand demographic change in the context of global population aging.

#### **United Nations High Commissioner for Refugees (UNHCR), Denmark**

*Statistics Team Intern*, Field Information and Coordination Support Section (FICSS)

2018

Central role in implementing UNHCR’s Demographic Projection Tool.

**The London School of Economics and Political Science, UK**

*Research Assistant, Law Department*

2017

Leading qualitative research on low student satisfaction

*Research Assistant, Social Policy Department*

2016-2017

Quantitative analysis of maternal and child health outcomes in Palestine

*Research Assistant, Sociology Department*

2014-2015

Qualitative coding and analysis of methodological practices in sociology of work

*Research Assistant, Methodology Department*

2013-2014

Survey of grey literature to identify common qualitative methods in International Development

**Public Opinion Program, Universidad Rafael Landívar, Guatemala**

*Lead researcher*

2013

Designing and implementing qualitative research for the Media Monitoring Project

**The Population Council, Guatemala**

*Research Sub Coordinator*

2012

- Design and implementation of qualitative research on conditional cash transfer programmes
- Led team of four ethnographers during six months of data collection in rural Guatemala

**TEACHING EXPERIENCE**

**European Doctoral School of Demography (EDSD), Barcelona**

*Class Teacher for course “Digital Demography”*

2020-2021

**The London School of Economics and Political Science, UK**

*Class Teacher, Social Policy Department*

2016-2017

- Leading seminars for the course “Introduction to Global Population Change”
- Weekly office hours, updated course website, homework and exam marking

*Class Teacher, LSE Methods Summer School*

2015

- Leading seminars for the “Qualitative Research Methods” strand
- Homework and exam marking

**Del Valle University, Guatemala**

*Class teacher, Anthropology and Sociology Department*

2013

- Leading seminars for the course “Advanced qualitative data analysis”
- Course design, wrote NVivo course pack (Spanish), homework and exam marking

*Class teacher, Anthropology and Sociology Department*

2011

Leading seminars for the course “History of Anthropology 1”
